

GWNET
Global Women's Network
for the Energy Transition

GWNET - Global Women's Network for the Energy Transition

What is GWNET?

The Global Women's for the Energy Transition (GWNET) is an international non-profit organisation founded in 2017 under Austrian law. GWNET aims to advance the global energy transition by connecting and empowering women working in sustainable energy in both developed and emerging/developing countries.

What does GWNET do?

GWNET empowers women in energy through:

- networking
- advocacy
- training
- coaching
- mentoring
- consultancy services related to projects and financing.
